Commissioner for Patents

Dear Sir:

Applicants' Representative spoke with Examiner William Fletcher via telephone on August 28, 2006. The rejection under 35 U.S.C. § 112 second paragraph was discussed. In particular, the language "waxed in" recited in claim 1 was discussed. It was noted that this was simply a typographical error. It was indicated that if "waxed in" would be amended to read "waxes in" as supported elsewhere in the specification, the indefiniteness rejection of claim 1 would be overcome. It was further discussed that a formal Amendment would be submitted making the necessary correction. Applicants thank the Examiner for the consideration and cooperation extended during the interview. No other claims were discussed.

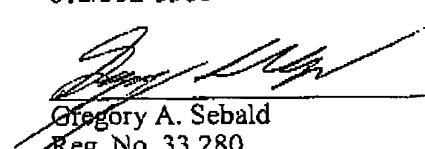

If the Examiner feels that a telephone interview may be helpful in this matter, please contact Applicant's representative at 612.336.4728.

Respectfully submitted,
